

## Australian Veteran Owned Business

Are a non-profit third-party certifier which promotes the recognition of Australian Defence Force veteran owned and operated businesses. <http://www.avob.org.au>

Know when you see this logo that the business displaying it has been vetted extensively with many in depth criteria's needing to be met, along with evidence of service records.

Security First Locksmiths is a proud supporter of the Defence Force by helping give back to those and their families who served our country. Gregory Thornton one of the owners served in the 3rd battalion of the Royal Australian Regiment, with commendations for outstanding performance of duty for East Timor peacekeeping, as a part of the 3 RAR Parachute Infantry Regiment. Security First Locksmiths also employs other ex-defence members who are now fully qualified technicians and leaders in the trade industry.

We happily offer Defence & Seniors Discounts of 10% off, as a part of our continued community support alongside the AVOB. Our service area covers Logan, Redlands, Brisbane Southside & Northern areas spanning the entire South East Queensland region, our fully qualified technicians will solve all your locksmith and electronic security issues quickly at affordable prices.
